Birds, Boughs and Berries Champagne Brunch

Aullwood invites you to *Birds, Boughs and Berries* on December 6 at the Bevercreek home of Karen and Dale Medford. This lovely home was constructed in 1996 from Ohio limestone and overlooks the 11th and 12th fairways of the Country Club of the North. It gracefully radiates the charm of French country 'a la Frank Lloyd Wright. This extraordinary event will take place between 11:30 a.m. and 2:00 p.m. and will include a champagne brunch as well as a silent auction featuring originally designed holiday decorations, gift baskets and other handcrafted items. A variety of artists and well-known personalities have created lovely items that will be displayed at the Marie S. Aull Education Center from November 17 – December 3.

These wonderful creations will be moved to the Medford home, situated in a beautiful setting surrounded by birds, boughs and berries. Guests will enjoy delicious food, music and a tour of this lovely home. While enjoying the ambiance, guests will have the opportunity to place silent bids on their favorite holiday decoration. The highest bidders will take their treasures home that day! Baker, Hazel and Snider Funeral Home is the corporate sponsor for the event.

This is an important fund-raising event and all proceeds support Aullwood's educational programs for children. The cost is \$60 per patron and \$85 per grand patron. Complete this form and mail it with a check by December 1 for your reservation.
